School Officials Answer Unification Questions

The following article is the fourth in a series of columns of questions and answers on the June 6 Grossmont Union High School District unification election.

The questions and answers were compiled by county school administration personnel and superintendent of local school districts and are presented as a service to readers who wish to be informed.

Realizing that all questions on unification may not be answered, arrangements have been made to afford readers the opportunity to send in questions of their own, which will be answered by local school district personnel. Questions may be sent to this newspaper, P.O. Box 127, Lemon Grove, 92045.

1) What happens to an elementary district's unused bond authorization?

If an elementary district has unused bond authorization which has been voted but not sold and such district is included "in whole" in a unified district, the unified district retains or can utilize the bond authorization.

In the proposed "South" Unified District, the Jamul Las Flores District is "in whole" and has some unused authorization.

In the proposed "West" Unified School District, Lemon Grove is the only school district included "in whole" but has no unused authorization. (E.C. 1906-07)

2) What is the effect of unification on participation in the existing State School Building Aid Program?

Dehesa and Grossmont are the only school districts included in the Grossmont unification proposal which do not have state construction loan repayment responsibilities. Future participation by the three proposed unified school districts would be at both elementary and high school levels except that an exemption may be requested, which, if approved, would allow participation at a single level during the first three years of operation as a unified district.

3) What happens to an elementary district's unused voter approved State School Building Loan authorization after July 1, 1973?

State School Building Loan authorization approved in elementary districts prior to unification will expire on the effective date of unification, July 1, 1973, thus requiring newly formed unified school districts to obtain voter approval of a new authorization in order to continue participation in the program.

4) How are the assets and liabilities of the several districts to be divided?

The unification plan contains three sections which have references to guidelines for the transfer and division of the assets and liabilities of the school districts affected by the unification plan:

Funds and obligations of the elementary districts included in each of the three proposed unified school districts as of June 30 of the school year immediately preceding the date upon which the proposed three unified school districts become effective for all purposes shall become the funds and obligations of each of the three proposed unified school districts.

Funds and obligations of the Grossmont Union High School District shall be divided and each of the three proposed unified school districts shall take its proportionate share in the ratio of the assessed valuation of each of the three proposed unified school districts.

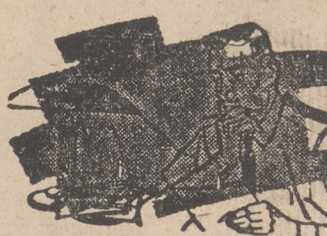

Property, funds, and obligations of the organized student bodies of the several elementary schools and high school or high schools located within the territory of each of the three proposed unified school districts shall become the property, funds, and obligations of the organized student bodies of the several elementary schools and high school or high schools located within each of the three proposed unified school districts.

Angela Davis for President

Bankers seek perfection—but they are a skiffish bunch. Newsmen are innovative—and view bankers with amazement.

These characteristics came together last week when Mr. Angelo Adams, according to a bank informant, became president of the Southern California First National Bank.

Inadvertently, his name appeared in the columns of this newspaper as Angelo DAVIS — an error inferring that the financial industry had resorted to some kind of fiscal busing.

It was Frank Shughrue, Lemon Grove 1st. NatBank vice president and manager who responded to the article with reasonably mild alarm—considering he's a banker. "People will think that Miss Angela Davis is our new president, he admonished.

He didn't get any calmer when we threatened that the error would be corrected by our publishing a picture of Miss Davis this week with her statement that she wouldn't consider the 1st Nat presidency under any circumstances.

It seemed an appropriate posture considering that it may be several years before Miss Davis will be free to accept such an offer—if, indeed, it were ever made her.

What is School Unification?

School unification will be on the ballot June 6 and the outcome of the vote have a longtime effect on all property owners.

The election has been mandated by the State—not by a district or a combination of them. At issue is change. If a simple majority of the voters say yes, nine elementary districts within the Grossmont High School District would be broken into three parts. Each of the parts would be unified—that is, unified as a combined high school/elementary school district with its own trustees and administrative center.

If the voters say no, the district would stay as it is now with its nine elementary districts overlaid by the high school district.

Even if the change issue fails, residents will have the option of initiating such changes in the future.

According to Grossmont District officials, elementary districts wouldn't see much change except they will be grouped in bunches of three within one of the new districts. La Mesa, Spring Valley, Lemon Grove elementary districts would be combined and contain Grossmont, Mt. Miguel, Helix and Monte Vista high schools. It would be known as the West District.

Santee, Lakeside Union, and Alpine would be in the North District with Santana and El Capitan high schools.

Cajon Valley, Dehesa, Jamul/Las Flores and Dulzura would be combined with El Cajon Valley and Granite Hills high schools to form the South District.

What changes are in store? If unification passes, the present districts would continue operation for one year. During the year new school boards would be elected and they would begin hiring, planning and budgeting to start unified operations on July 1, 1973.

While the State mandated the election, it did not mandate unification. It ordered the election to give voters a chance to

Kickoff Dinner Held, Old Time Days Begin

CINDRONS — The "Cindróns", a local folk-singing pair, were on hand for the Old Time Days Kickoff Dinner-Dance Friday night. Over 150 persons were in attendance and helped to raise about \$300 for KPBS-TV 15, San Diego State's public broadcasting facility. The money will be presented to Desi Arnaz at the OTD Parade Sunday. Fire Tax Rate Hike Seen in New Budget

Faced with a leveled-out assessed valuation and a budget that increased 10 per cent, the Lemon Grove Fire District board of directors faced up to a 7½ cent tax increase for district residents for 1972-1973.

The new rate would raise fire protection costs from 79.4 cents to 87 cents for each \$100 of assessed valuation. Average valuation for Lemon Grove structures is \$5,000. That would raise the tax about \$3.50 — from \$39.70 to \$43.20 for the average homeowner.

Included in the new budget is a five per cent increase in pay for members of the department. However, the men, represented by Engineers Dale Chamberlain and Ed Hayman, argued for a raise of 5.5 per cent and a reduced duty week.

Fire Chief Fred Dixon said it would cost an additional \$14,500 a year for an added man if duty hours were reduced from the present 72 to 65 hours weekly. Hours would be reduced each year until it reaches 61 hours in the third year.

The revisions correlate with the fact that Superintendent Byron Netzey will resign at the end of this year, and Assistant Superintendent Bob Sutton will step into the post.

In making the job descriptions, the board also authorized the opening of applications for Sutton's assistant superintendent position, directing the administration to screen candidates from within the district first.

The following item on the agenda was the re-employment list for certificated and classified personnel. It was noted that Eldon Meyer, former superintendent of the Jamul-Las Flores District and last year a principal on an interim basis, was not on the list.

Meyer is now a replacement principal, for a regular position. The meeting is open to the public.

Ray Booth and George Dunn, of the County Board of Education; Joseph Farnie, Grossmont Board, and David Price, Cajon Valley Board will make up the panel. Mrs. Harriet Stockwell, League representative, will be moderator.

The meeting is open to the public.

Leisure Travel On Tap For Netzey Retirement

Leisure travel time heads the list of activities for Lemon Grove School District Superintendent Byron L. Netzey when he steps down from the post after 30 years of service July 28.

Netzey, who joined the district when there was just one school, plans to tow his 22-foot, self contained trailer around the country with his wife, Helen.

Up until now, most of his travel time has been during three-week vacation periods and on three-day weekends, he said, which means that there hasn't been enough time to enjoy the trips to their fullest.

Earlier plans to visit the Netzey's son, Ron, in Germany in August, were dashed

when it was learned that Ron and his wife Connie will be returning earlier than expected. He is in Germany on leave from the Poway School District, teaching armed forces dependents.

Mr. and Mrs. Netzey also have a daughter, Sherry Engberg, who teaches in the Chula Vista School District. Travel plans, although not definite, will probably include trips to the mountain and desert areas of the county, Netzey said, and Colorado will be high on the list. A trip to Mexico is hoped.

One of Byron's goals during his retirement will be to become a better fisherman. "I need some instruction in that area," he admitted.

While the Netzey's will be spending a good deal of time out of Lemon Grove with their trailer, they will continue to make their home in the same house on Golden ave. that they bought when they arrived shortly after the bombing of Pearl Harbor.

Netzey arrived during a blackout of this area, and had to drive in without benefit of headlights, which made it "hard to find my way in." Since then, he's never found strutting and twirling. Miss Eyler will now compete for the California Miss Majorette title Saturday in Norwalk. She won the state title last year in the juvenile division.

Spring Valley majorette Lynn Schubert placed fourth in the senior division.

One of the problems of re-

tiring is deciding what to do with leisure time. That problem, for Byron, will be a minor one, as he plans to use the early part of his retirement to decide what to do later on.

Looking back on his long career with the school district, Netzey noted several things of which he is particularly proud. He cited the fact that nearly a dozen ex-students are back with the district as teachers.

Other ex-students who received their education in local schools include Jim Dorman, who now sits on the district's board of trustees, Jerry Rife, a photographer for the EVENING TRIBUNE, and Gary Withem, now a star musician with the Union Gap, of pop music fame.

Netzey also indicated that he was happy with the district's board of trustees. Of the 25 different Trustees that have served as Netzey's boss in the past 30 years, all have been excellent to work with, he said.

With good trustees and what Netzey called top notch administrators, and teachers, he is confident that the district will fare well in the future.

He indicated that he has no plans for local political activity, but that he will continue to be involved in local affairs. He is a charter member and past president of the L.G. Kiwanis Club and is active in church work as well as the United Crusade.

Meyer May Be Re-hired With District

By John Nicholson

The Lemon Grove School District Board of Trustees met Monday night and took its first glimpse at the 1972-73 budget, approved revised job descriptions for the positions of superintendent and assistant superintendent, and approved the employment list for the 1972-73 year.

In revising job descriptions, trustees followed administrative recommendations to include in the responsibilities of the superintendent some functions previously handled by the administrative secretary. The superintendent, under new job descriptions, will also handle the supervision and evaluation of principals, a job now handled by the assistant superintendent.

The revisions correlate with the fact that Superintendent Byron Netzey will resign at the end of this year, and Assistant Superintendent Bob Sutton will step into the post.

In making the job descriptions, the board also authorized the opening of applications for Sutton's assistant superintendent position, directing the administration to screen candidates from within the district first.

Karen Eyler Tops In Majorette Competition

Miss Karen Eyler, daughter of Mr. and Mrs. Keith Eyler, of 1706 La Corta, Lemon Grove, was recently named Southern Counties Miss Junior Majorette 1972 at the Miss Majorette Pageant at El Cajon High School.

Entrants in the competition were judged in modeling, strutting and twirling. Miss Eyler will now compete for the California Miss Majorette title Saturday in Norwalk. She won the state title last year in the juvenile division.

Spring Valley majorette Lynn Schubert placed fourth in the senior division.

'Do It Myself' Is Theme For Youth Center Projects

Youngsters of the Lemon Grove Youth Center decided they'd "rather do it themselves."

With two projects in the planning stage, they decided to man a booth at the Old Time Days Carnival to attempt to raise funds for a bus trip to the Cuyamacas and for a day at the Padres baseball game.

The booth is being provided by members of the L.G. Lions club. At least 10 youngsters will work shifts through Sunday. The carnival is on the parking lot at St. John of the Cross church, Broadway and Washington.

The youngsters wanted to show that they could do things for themselves said Dennis Balcao, a student counselor at the Center.

Last week the youngsters borrowed a truck and cleaned the trash from the plaza from North to Massachusetts. The rubbish filled the truck.

To aid the Center, this

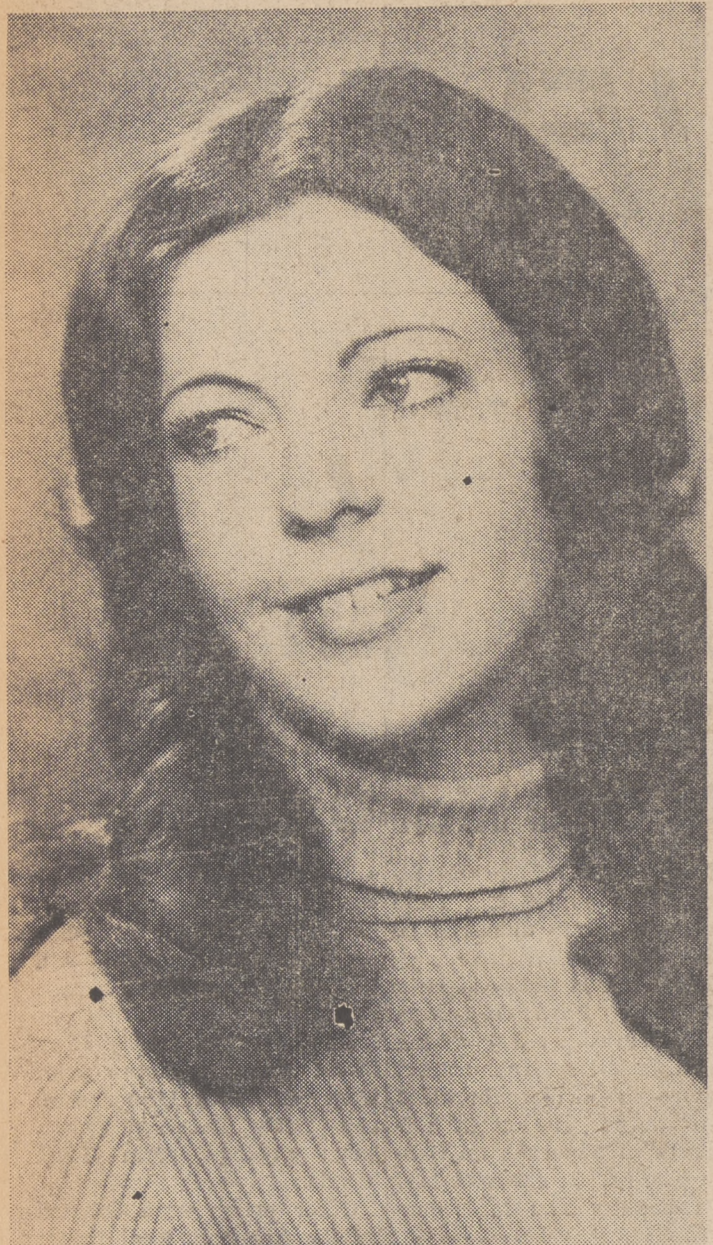

Comprehensive Planning Organization (CPO) will conduct a public meeting Tuesday at Grossmont High School at 7:30 p.m.

It will be the second and final meeting on regional goals according to Walter Jaconski, regional goals program staff coordinator.

The project is a co-operative effort by the 13 incorporated cities, County of San Diego, and the S.D. Division of Highways, and the Port District, to develop long-range comprehensive/land-use and transportation plans for the county.

All interested residents are urged to attend the meeting.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

"Apodo" is the Spanish word for "nickname." A large number of Spanish-speaking persons prefer to have their friends call them by their nickname rather than by their given first names.

"Antonio" (Anthony) might be converted to the nickname of "Tono, Tonito" or "Tonico." So his friends might say "He is my friend Tono," and convert it to Spanish by saying "El es mi amigo Tono."

"Jose" (Joe) is frequently given the nickname of "Pepe" or "Pepito." Thus when we hear a greeting "Hola Pepito" (Hello Pepito) and "Felicitades Pepito" (Congratulations Pepito) we know that the person's given name is "Jose."

"Francisco" (Frank) has many related nicknames. The most frequent substitute name for "Francisco" is "Paco." Others are "Pancho, Pancho, Frascito, Curro," and "Frasco." So when someone asks "Donde esta Paco?" We recognize that they are asking "Where is Francisco?" or "Where is Frank?"

"Guillermo" (William) may be changed to "Memo." "Juan" is converted to "Juanito" and means respectively "John" or "Johnny." "Ignacio" is replaced by "Nacho." "Pablo" (Paul) is usually given the nickname of "Pablito," and "Roberto" (Robert) may be called "Tito," "Beto,"

or "Robertito." "Guadalupe" is a name with no English equivalent. This name is given to men and women in the Spanish-speaking culture and the nickname is usually "Lupe."

Practice phrases listed below contain Spanish nicknames. You may enjoy learning to say them with the aid of the recorded voice that says them for you when you dial 276-2762 on your telephone.

IMPORTANT PHRASES:

Say "Cual es su apodo?" (kio-AHL ehs soo ah-POH-toh) for "What is your nickname?"

Say "Mi apodo es Pepe." (mee ah-POH-toh ehs PEH-peh) for "My nickname is Joe."

Say "Es Paco su amigo?" (ehs PAH-koh soo ah-MEE-goh) for "Is Frank your friend?"

Say "El apodo de el es Lupe." (ehl ah-POH-toh deh ehl ehs LOO-peh) for "His nickname is Lupe."

Say "Como le va, Pablito?" (KOH-moh leh vah pahb-LEE-toh) for "How are things going, Paul?"

Say "Memo es mi amigo." (MEH-moh ehs mee ah-MEE-goh) for "Bill is my friend."

Rice Guides Trojan Band To Second Place Trophy

Nobody can accuse Bill Rice of "ducking the action." The Lemon Grove Junior High eighth grader is the school's first marching band drum major in 16 years and he grabbed a second place trophy for his performance in last week's National City Maytime Band Review.

What made the task difficult was that this was the first competition and only the second parade for the youngster. Maytime is recognized as one of the state's top band events each year.

Bill led the Trojan marchers along a route line with 75,000 persons and his second place award matched the second place trophy earned by the band.

Karen Segawa Wins State Speech Contest

Karen Segawa, 18-year old daughter of Mr. and Mrs. Tom Segawa, of 7655 San Miguel ave., Lemon Grove, was last Saturday named winner of the National Forensics League's California competition in San Francisco.

Miss Segawa, a senior at Mt. Miguel High School, is no stranger to stardom in speech contests, having placed fourth in last year's state

competition and ninth in the nationals.

The local lass, competing in the girls extemporaneous category, convinced a panel of judges that she was tops in the state by handling three rugged current affairs topics.

In the competition, contestants are given topics, and after a 30-minute research and organization break, must give a seven-minute presentation without benefit of notes.

The toughest part of the contest is probably the fact that nobody knows what topic a contestant will receive, so there is little chance of "boning up" for the competition in advance, other than keeping abreast of current events.

Miss Segawa attributed much of her success in speech contests to the coaching of Mt. Miguel speech instructor Myrna Goodwin. Both hope to make their way to the national competition June 19 in Winston-Salem, North Carolina.

Karen plans to pursue a career in law or education after attending United States International University, where she expects to enroll after graduation from Mt. Miguel. She is currently student body vice president at the Spring Valley school.

Rebekah Meeting Set

A dessert card party is planned for Wednesday May 31 at 7 p.m. said general chairman, Mrs. Josephine Martin and co-chairmen, Mrs. Helen Paul and Mrs. Louise Hopson.

The advancement club will meet May 11 at the home of Mrs. Stella Eckenroth, 5511 Maryland ave., La Mesa, at 7:30 p.m. with co-hostess Mrs. Martha Purdy and Mrs. Stella Bono.

A marijuana plant was found growing near the back door to the police vice squad office in Jacksonville, Fla.

Entrance Exams Set Saturday

A representative from the California Maritime Academy of Vallejo will be administering free entrance examinations at Hoover High School May 13 from 8:15 a.m. to noon. The examination will determine eligibility for admission to the class starting August 8.

A new curriculum has been prepared by Academic Dean, C. W. Barber, which, when adopted, will offer minors in ocean sciences and marine transportation, plus other non-professional subjects.

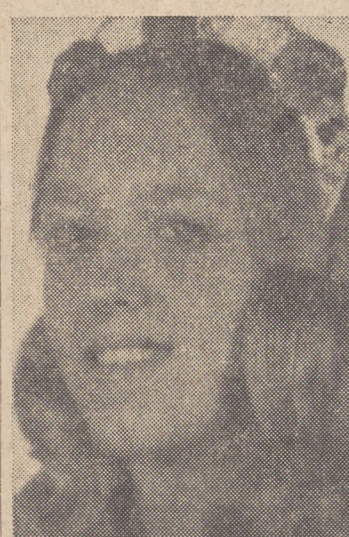

While the main mission of the Academy will continue to be the training of officers for the U. S. Merchant Marine, the broadened curriculum will enable graduates to find additional opportunities in their profession, both at sea and ashore, and will insure that they are eligible for further graduate training in other colleges and universities.

Free Dog Licenses

Free two-year dog licenses, valued at \$9.50, will be issued by the County Veterinarian for dogs spayed on or after January 18.

The offer is good throughout the unincorporated areas of the county, plus cities where the County has animal regulation responsibilities.

The one-time free license was authorized by the Board of Supervisors to encourage spaying and licensing as two steps toward the overall goal of responsible dog ownership.

PRINCESS — Frances Wilkinson, 16, has been chosen from the Jr. Girls Unit of Encanto Post 6874 Veterans of Foreign Wars, to reign as Poppy Princess for the

Post during Buddy Poppy Days May 26 and 27. She will be attending functions promoting the sale of Buddy Poppies including the Armed Forces Day Parade May 20 in San Diego. She will be a guest at the VIP Luncheon following the parade.

MEDIA CENTER OPENS — The kids watched it taking shape and when it opened, observers could have believed it was the opening ceremony for a supermarket. "It" refers to the La Mesa-Spring Valley School District's ninth school media center at Spring Valley Elementary. Children in grades one through six checked out 614 books

on the first day of the center's opening. The media center contains approximately 7000 volumes. The wide-eyed youngsters were filled with questions, comments, suggestions, and advice as they paraded among the many shelves of books.

Luigi's, Berg Electric Knotted In Top Spot

Luigi's Restaurant and Berg Electric each won two games in the first week of Spring Valley Little League action and are tied for the top spot in the standings.

Luigi's beat the Spring Valley Post Office by a 10-1 count for the first win, then came back to knock off the S.V. Moose Lodge, 10-6. Berg beat Jackson Supply, 5-3, and edged S & H Martinizing, 5-4.

Berg batter Ronny McClellan teed off on the first pitch of the season and blasted a triple to set the stage in the first game, while Tim Newman collected the 7-hitter.

Ron Huntington was credited with the win in the second contest, after coming in to pitch for Michael Brown. Brown later scored the winning run after reaching base on a walk.

Three Tied For Top Spot

Results of the first week of action from the Valley de Oro Little League were announced this week, and highlights included a three-way tie for first place between Wal Sar Construction Company, Meyers Industrial Trucks, and Valley Farms Market, all with 3-1 records.

A three-way tie for fourth place spiced the action, as Thermo-King, Land Consultants, and Casa de Oro Travel all had marks of 2-2. In seventh place is Fast Print, followed by last place Jimmie's Meat Center.

A pair of no-hitters and three home runs were the top highlights. Billy Tellous, of Valley Farms, twirled one of the blizzes, while Don Coon and Bill Jones, of Meyers Industrial, combined for the other. Home runs were belted by Coon, Ric Nelson, of Wil Sar, and Tom Cox, of Valley Farm.

In minor league play, Keith Ellis, of Casa Drugs, hit the first grand slam home run of the year.

In the senior division, heavy hitter Bryant Hibbs, of Purr Mini-Westgate, highlighted that action with a pair of homers and five runs batted in.

For Luigi's, Jeff Whitley handled the hurling chores, tossing a 1-hitter against Spring Valley Post Office. In the second game, Raleigh Moody and James Dennis carried the big wood for Luigi's. Woody nailed a triple, while Dennis added a double.

In other games, S & H Martinizing beat Dial Finance, 15-2. Kiwanis beat Moose Lodge, 6-3. Post Office edged Dial Finance, 11-10 despite a 7-run rally in the sixth inning by the losers, and Jackson Supply beat Kiwanis, 7-1.

In the intermediate league, Jim Nicoll Racers and Tea Pot Inn won two games each to tie for the top spot. Nicoll knocked off Quick Way Construction, 10-1, and blasted Art's Lumber, 14-8. Jim Delaney tossed a no-hitter for Nicoll in the first game.

Tea Pot edged Art's Lumber, 11-10, and slid by S.V. Boosters, 7-6. Ron Stuart had the big gun for Tea Pot in both games, belting a double and a triple against Art's Lumber and a triple and a home run against the Boosters.

In other intermediate play, the Boosters and Mission Bay Concrete battled to a 4-4 deadlock and Mission Bay topped Quick Way, 8-2.

In the minor league, SV Fire Fighters and Stroh's Lomita Bowl each claimed victory twice to set the pace.

Fire Fighters dumped NTC Morse Code, 15-2, and blasted Polar Frozen Foods, 15-3, while Lomita Bowl topped Colwell Insurance, 14-4 and ripped NTC 18-1.

In other minor league encounters, Pat's Rentals topped the Boosters, 14-8, but lost to Colwell Insurance, 9-7, and SV Shopping Center upended Boosters, 10-6.

In the rookie league, Foster's Freeze won its only game to tie for first place, knocking off A/C Appliance, 22-15. In other action, A/C beat Jackson Supply, 19-16, Jackson beat US Elevator, 22-16, and Support Our POW's blasted US Elevator, 31-12.

SAFE AT HOME — Jerry Olson slides into home plate safely while John Guarino awaits throw, which was too late to stop the run from scoring. Umpire Tommy Hodges was right on top of the play, which was during the Kiwanis-Moose Lodge game in the Spring Valley Little League last week. Kiwanis won, 6-3. (Carl Weber photo)

Dodgers Bring 'Unreality' As They Try Padres Monday

Whenever the Padres and the Dodgers clash, the players seem to have a feel for the unreal.

Which is to say that the unexpected usually happens.

Three years ago the Dodgers rode their pennant express into San Diego Stadium and the Padre derailed LA, winning four straight.

In 1970 the Padres won two of their first three games with LA and then made life miserable for the Dodgers from then on.

And last year, the two teams duelled before nearly 40,000 in the Stadium, the largest crowd ever to watch a baseball game in San Diego, in a memorable game won, 1-0, by the Dodgers.

They'll start all over starting Monday when the Padres return to open a home stand against the Dodgers.

"The Dodgers can bring out the best in a team," said Clay Kirby who already this season owns a victory over them. "They're so good in so many ways that it forces you to be at your very best to beat them."

The Padres and the Dodgers clash Monday, Tuesday and Wednesday nights at 7:30. It'll be the first opportunity for San Diego fans to watch Frank Robinson in a Dodger uniform.

After an off day Thursday, the Padres entertain the Cincinnati Reds for four weekend games, including the popular Bat Night Friday (May 19). There's a Saturday game at 6 p.m. and a Sunday (May 21) doubleheader with the Reds. The Houston Astros close out the 11-game home stand with night games Monday and Wednesday and a two-night doubleheader Tuesday, May 22-23-24.

On Bat Night every boy and girl 14 and under attending that evening's game between the Padres and the Reds will receive free a regular Louisville slugger bat that has been approved for Little League play. Tickets for Bat Night, the games with the Dodgers and all games in the upcoming home stand are now available at the Padre Stadium ticket windows open daily at 10 a.m. to 6 p.m. Tickets also are available at Ticketron outlets throughout San Diego County and by mail, write Padre Tickets, Box 2000, San Diego, Ca. 92120.

USD Grid Tickets

Ready at \$12 Family

Head Football Coach Andy Vinci of the University of San Diego announced that season tickets for the '72 season are now available through all 43 Metro-Ticketron agencies and may be charged to the fan's Sears, May Company, or Highlander account. He stressed that this year the five home games are a family activity, as one \$12 ticket admits both parents and their dependent children.

Home game opponents include such formidable schools as Claremont, La Verne, Loyola, United States International and Westminster of Utah. It is anticipated that about 120 people will be employed in the facility, he said. In addition to holding persons awaiting court action and serving short term sentences, the Metropolitan Correctional Center will provide assistance and guidance to persons reaching the end of their sentences to help them re-enter the community as useful and law-abiding citizens.

Mt. Miguel Splits With M.V., Vaqs

By Paul Stark

Mount Miguel High School split two games last week in a 3-1 loss to Monte Vista and a 2-1 win over El Capitan.

On Tuesday Monte Vista broke a 1-1 tie with one out in the seventh inning when Mike Jump doubled to right to bring in Greg Smith.

Monarch Rick Baker was sailing along with a two hit shutout going into the seventh when the Matadors put three hits together for their run. Ted Updike led the inning off with a solid single to right, Pannell hit a booming double to left to send Updike to third. Terry Holm, batting for Gary Osberg, hit a Baker fastball to left to bring in Updike.

Steve Long handled the pitching against El Capitan and had a perfect game going until a two-out walk, an error and a single broke up the no-hitter and shutout.

Mt. Miguel did all of its scoring in the first frame when Paul Schneider walked and score on Mike Ursillo's double. Ursillo was later throw out at the plate, but Ted Updike scored later on Buster Ledesma's single.

Mt. Miguel plays its final game of the season tomorrow at 3 p.m. when El Cajon comes to Spring Valley. Mt. Miguel must win to have a chance at gaining a C.I.F. playoff berth.

S.D. Correction Center Planned

A federally operated Metropolitan Correctional Center to operate with the new U. S. Courthouse in down San Diego has been proposed by the General Services Administration, according to Harry F. Scheidle, chairman of the San Diego County Board of Supervisors.

Scheidle said he has been informed of the plans by T. E. Hannon, Regional Administrator for GSA from the San Francisco headquarters. It is anticipated that about 120 people will be employed in the facility, he said.

In addition to holding persons awaiting court action and serving short term sentences, the Metropolitan Correctional Center will provide assistance and guidance to persons reaching the end of their sentences to help them re-enter the community as useful and law-abiding citizens.

Ned's Grabs First Place In Pony Loop

Ned's Outboard took two of three games from Hutchison Roofing to move out all alone in first place in the Sky Grove Pony League last week.

Ned's, with great pitching from Earl Ritchey, claimed victory in the first two games, but Hutchison batting power gave the roofers the third contest.

In the first game, Earl Ritchey had a no-hitter going until the seventh inning, when Jaime Lieras ripped a single to spoil things. Chuck Parker, hurling for Hutchison, whiffed ten enroute to a three-hitter, but Ken Heffernan's homer made it a losing effort, as Ned's prevailed, 3-0.

In the second game, it looked for awhile as though Dave Taluban, pitching for Hutchison, might have evened the series up with his one-hitter, but a walk, an infield single, and a long double by John Young in the sixth frame gave Ned's the nod, 2-1. Bob Lane and Earl Ritchey scattered three Hutchison hits.

In the third contest, Hutchison bats boomed for nine big runs and Robert Bryan tossed a five hitter to keep the roofers in the pennant race. Bryan was a victim of the gopher ball, serving up a pair of fat ones to Ken Heffernan, who hit them out for his fourth and fifth round-trippers of the season. Nevertheless, Hutchison won, 9-5.

In other action on the week, the Lemon Grove Lions Club took two of three from Lido's Italian Foods to move into a tie for second place with Hutchison Roofing.

Dean Pudsey tossed a shutout for Lido's in the first game, which his team won, 5-

0, with the help of Kevin Stafford's three-run homer. In the second game, Lions pitcher Mike Slay tossed a shutout for the Lions to earn the 4-0 victory.

In the final contest, the Lions Club, on good hitting from Neal Luscomb, edged the pizza-makers, 5-4. Luscomb belted a double and two singles and drove in three runs.

Edco Steel and Murphy Plumbing split a pair of games, marking the first win of the year for the plumbers.

Edco bats told the tale in the first game, an 8-4 victory. Tony DiMaggio clouted a solo homer for the winners.

In the second game, David Terrell swiped third base and came home with the winning run on a bad throw in the tenth inning to give Murphy its first victory, 5-4.

The standings show Ned's on top at 5-2, Hutchison and Lions Club tied for second at 4-3, Edco Steel in fourth at 3-3, Lido's in fifth with a 3-4 mark, and Murphy in the cellar at 1-5.

Klein Says Graham Created GOP Problem

Herb Klein, former editor of the San Diego Diego Union, and now communications director for President Nixon, was greeted by approximately 40 newsmen and their spouses Thursday night at the Hilton Inn.

The affair was a dinner sponsored by the San Diego Chapter of Sigma Delta Chi, the national professional journalism society of which Klein is a member.

"The profession (journalism) gives you a chance to get a piece of the action," Klein said for the benefit of some San Diego State journalism students in the audience.

He told professional members that the Republican Convention problem was created by new arena owner Peter Graham. "And it's a matter that should be looked into by San Diego officials," he said. Klein leaves for Moscow soon to set up a communications system for the President's coming visit.

WAC Birthday Feted

A special birthday will be celebrated Sunday but there won't be a birthday cake.

Being honored is the Women's Army Corps, which was born during World War II under the name the Women's Army Auxiliary Corps. A year later "Auxiliary" was dropped from the title.

During World War II thousands of women joined in the war effort, serving with the military throughout the United States and in such overseas areas as England, Italy, Algeria, Egypt, India, Australia, New Guinea and the Philippines.

The size of the WAC has fluctuated depending on the need, with the current strength standing at 13,000 women. Since 1942, some quarter of a million women have served in the Women's Army Corps.

The United Nations switchboard has about 5,500 extension telephones connected to it.

mentary districts and the Grossmont Union High School District lying within the boundaries of each of the three proposed unified school districts shall become the real property of each of the three proposed unified school districts.

Other Property

The proposed three unified school districts shall take possession of all the personal property owned by the elementary school districts and located in a building included in each of the three proposed unified school districts and a share of the personal property owned by the Grossmont Union High School District as follows:

All the personal property of the Grossmont Union High School District located in the high school or high schools which are within the boundaries of each of the three proposed unified school districts.

A proportionate share of the personal property of the Grossmont Union

High School District which is not located at a high school, which proportionate share shall be in the ratio which the assessed valuation of each of the three proposed unified school districts.

The above distribution shall apply to all purchases from all funds of the Grossmont Union High School District.

In making the division of the personal property of the Grossmont Union High School District, the valuations used shall be the actual value of property and stores as shown by the inventory records of the district.

Any inequities in the division of personal property shall be adjusted by a balancing distribution of the funds and obligations of the Grossmont Union High School District.

5) Will existing staff be assured continued employment?

The status of the certificated employees of the school districts included in the unified school district is unchanged. If any employee has permanent status in a school district at the time the district is included in a unified district, he will have permanent status in the unified district. An employee who has probationary status automatically becomes an employee of the unified district unless the governing board of the unified district notifies him by March 15, 1973 that his contract will not be renewed.

Administrative certificated staff are assured continued employment by the unified school district for not less than two years at the same or higher salary.

Education Code Section 13584 provides that a classified employee of a former district must be continued as an employee of the unified school district for not less than two years, but that the governing board of the unified school district may make any reasonable reassignment of duties.

Larsen to Play Here

Lyn Larsen, a nationally known theatre organist and recording star, will be featured Saturday in the Southland Music Center's second anniversary theatre program.

Jim Hansen and Tommy Stark, Southland co-owners, opened the facility at 3459 Imperial ave. two years ago to the day and will have had 17 concerts there.

Larsen was recently featured on ABC's "General Hospital" show as organist.

The Saturday show starts at 8 p.m. Tickets are \$2 and reservations may be made by calling Southland Music at 463-0308.

Mother's Day Tea Set

A Mother's Day Tea will be given by the Lemon Grove Woman's Club Juniors Friday at 1:30 p.m. at the clubhouse, 2810 Main st.

After the tea, past presidents will be honored. A program presented by the Juniors will follow.

PUPPY LOVE — Petting was the order of the day recently when the El Cajon Chapter of the Future Farmers of America brought some of their project animals to the "petting zoo" at College Grove Shopping Center.

Rabbits and Chinchillas were offered for sale, but puppies were free. Needless to say, this pooch found a home. (Ed Varley photo)

Pay Hikes Sought

The Grossmont Union High School District Board of Trustees Monday night approved the purchase of a 2.7 acre site in El Cajon for the development of a workshop for the retarded.

A workshop for the retarded presently is located at Main st. and Mollison ave. in El Cajon, but the facility was declared below earthquake standards late last year.

In approving the site purchase, trustees also authorized the preliminary architectural plans for a 19,000-square foot facility, which will house 140 trainable mentally retarded adults and youngsters.

The site will cost \$137,000, but no estimate on the building cost was available.

Site Purchase OK'd

Faculty members at Grossmont College this week disclosed that a \$3 million increase in pay and benefits is being sought in "meet and confer" sessions with the district.

Included in the package deal would be eight per cent pay hikes in addition to cost of living increases, fully paid dental plans for faculty and their family, a reduction in teaching load, and district-paid life insurance.

District negotiator Walter Yuhl has countered with proposals to increase the teacher load, a boost in class size, a cut in sabbatical pay, and changes in summer pay, according to Robert Holden, of the college teacher association.

Political Merry-Go-Round

BILL CLEMENTS

A fund-raising dinner for Bill Clements for Supervisor attracted about 250 people Saturday night at Carlton Oaks Country club, according to Harold Beard, dinner chairman. Clements is candidate for supervisor in district 2.

Master of ceremonies for the affair was William Cravens, supervisor of the fifth district (north). While Cravens did not actually endorse Clements, there was some speculation as to why Cravens would have identified himself with a non-incumbent. One theory is that Cravens will seek a State office before, or when his present term expires.

Clements told his audience that he would "bring county government back to people." He again lashed out at Bill Brown, one of his 11 opponents, for supporting a "third level of government." "He wants to replace elective government with an appointive one," Clements charged.

The head table included Joe Stacey, Clements' campaign chairman; Jim Moore, publicity chairman, and Bob Guest, campaign treasurer. Guest is manager and vice president of the Lemon Grove branch of the U. S. National bank.

BOB MILLER

Bob Miller, a deputy county clerk for 13 years, will attempt to unseat Jesse Osuna as County Clerk in the June 6 elections.

Miller said he was fired by the recently appointed Clerk and he has appealed his dismissal to the County Civil Service Commission.

Miller said that he is returning all campaign contributions to attorneys since the Clerk's job would be in conflict in Superior Courts if he accepted them.

BOB DEVINE

Bob Devine, candidate for supervisor in the 2nd district pumped up his campaign this week by announcing his opposition to the county's overcrowded schools, inadequate recreation, unhealthy environment and spiraling taxes.

He said he was not committed to any special interest and that he would not attempt to buy the election through a media advertising campaign.

DICK BROWN

Dick Brown, El Cajon City councilman and candidate for supervisor in the 2nd district, was elected chairman of the State Board of Transportation. Brown was appointed to the board two years ago by Gov. Reagan. He is the first San Diegan to be elected chairman.

PAT KELLY

Thomas F. "Pat" Kelly, candidate for supervisor, 2nd district, said this week that he will stand against Prop. 9, the "pollution" initiative.

OSCAR CANEDO

Oscar Canedo, candidate for Assemblyman in the 77th district, lauded Gov. Reagan's new anti-drug abuse legislation.

Canedo, a Republican, seeks to unseat veteran Assemblyman Wadie Dedeh.

CLAIR BURGNER

An old-fashioned political rally honoring Senator and Mrs. Clair W. Burgner will be held May 21 at San Dieguito County Park.

Sen Burgner is candidate for Congress for the newly created 42nd Congressional district. Food will be served 11 a.m.-3 p.m.

A La Mesa attorney, LeRoy Knutson, is Burgner's campaign chairman.

Contact with headquarters office is 461-9305.

THE DIMMER VIEW (Cont.)

express their opinions.

We have opposed the forming of a large unified district because it would weaken home rule. Few will deny that it is easier to get action from the elementary school district than from the high school.

Under unification the high school district would be smaller but the elementary district larger—a compromise. The district would not really be small but maybe not too big either. Yet, the La Mesa-Spring Valley District, the largest of the nine, has not been a happy district. It has been plagued by many problems.

Lemon Grove, a small one, has been a happy one. On such unscientific determination did we base part of our opinion.

There is also the concern for new high schools in gigantic developments to be started east of here. Under the present division, all of the Grossmont District would share the cost. Under unification, the one-third high school district, into which the Lemon Grove and La Mesa-Spring Valley District would fall, would be responsible for the new construction and operation of high schools within its boundaries.

Not determined as yet is whether there would be more employees or not. When a single district unification was planned several years ago, it was said that it would require less people to operate this district.

This consideration, and the tax rate, will be examined in this column between now and June 6.

OTD Activities To Be Plentiful

The Lemon Grove Old Time Days celebrations this year begin today and will be climaxed by the big parade Sunday at 1:30 p.m.

But aside from the parade, there are many activities for everyone, including a square dance, a barbeque dinner, a

golf tournament, a children's costume contest, old-time silent movies, and for the first time this year, a carnival.

Starting off festivities for the annual gala was the Old Time Days Kickoff Dinner which was held last Friday night at the Lemon Grove VFW Hall. The affair was catered by Jac's Catering Service and featured the John Abelman Trio.

A door prize drawing was held, with proceeds going to KPBS-TV 15, San Diego State College's educational broadcasting station.

Next on the list of attractions is the Old Time Days Carnival, jointly sponsored by the L.G. Chamber of Commerce and the Old Time Days Association. The carny opened May 10 and will continue through Sunday evening, complete with local-club booths in keeping with the OTD theme, Gay 90's.

On Saturday, Saint Philip's Episcopal Church will sponsor its annual barbeque dinner from 2 to 8 p.m. at the

church, Palm and Hardy dr. After the barbeque, the Calico Twirlers will be at the Lemon Grove Woman's Clubhouse, 2810 Main st., for a square dance. Dale Miller will handle the calling for the affair, which is open to the public, as is the barbeque.

On Mother's Day, a host of activity will be presented, including the OTD Parade with Grand Marshal Desi Arnaz. After the parade, a children's costume contest will be held at the corner of Broadway and Olive, with prizes to be awarded.

At 3:30 p.m., Southland Music Center will present a free program of old time movies, including Laurel and Hardy, W. C. Fields, and Gloria Swanson films. The theatre is located at Imperial and Lester ave.

The Old Time Days project will be benefited by a golf tournament May 28 at Bonita Golf Course, under the sponsorship of the Horseshoe Tavern. Applications for the tournament are available at the tavern.

SUPPLEMENT TO THE LEMON GROVE REVIEW/SPRING VALLEY BULLETIN

OLD TIME DAYS MAY 11, 12, 13, 14

PARADE MAY 14, 1972, 1:30 P.M.

OTD Parade On Tap Sunday!

Old Time Days Parade chairman Bob Mastny announced that this year's parade, to be held Sunday at 1:30 p.m., will be the longest in the history of Old Time Days.

Major changes in the ninth annual parade include a reduction in the number of horses entered and the elimination of motorcycle units.

More bands are on tap this year than ever before, according to Mastny, who noted that Ozzie's Marching Band will be the feature band this year.

Other top bands entered include the Lemon Grove Junior High Band, Mt. Miguel High School, the Cameron Highlanders Bagpipe Band, the

U. S. Navy Drum and Bugle Corps, the San Diego Dixie-land Band, Mar Vista High School, San Dieguito High School, Montgomery Junior High School, and the Home Federal Savings Band.

Another "top-rate" band will be Werner Herzel, "the one-man band" who recently appeared on the "Laugh-In" television show.

Another parade feature will be floats entered by Warren's Maple Shop; the Lemon Grove Lions Club, Jack in the Box.

Scout Troop 398, and the U. S. Navy Assault Craft Unit 1. All floats will be judged and trophies awarded to the winners.

Plenty of fun for the youngsters will be offered by the great number of clowns due in the parade.

The VFW Clowns and the Seyfreid Yarnhead Family Clowns will top the list of funnies. The Al Bahr Clowns, a favorite for many years, will miss this year's parade in favor of an important convention.

Many of the favorites from past parades will be back to make the parade what Mastny feels is the best yet. Bob Howell, the Lemonettes, Molly's Jail, Ed Carpenter's mule, and the VFW Color Guard head the list.

For Dad, there will be plenty.

'Lemonettes' To March In OTD Parade

The Lemon Grove Lemonettes are ten of Lemon Grove's leading businessmen who were formed about ten years ago to be featured at pre-game ceremonies for the San Diego Chargers when they played in Balboa Stadium.

Since then, the "girls", as they are fondly known about this time every year, have become a part of the community, representing the town in parades around the county, affording something "to remember the town by and take notice of Lemon Grove", according to Jim Dorman, a member of the group.

When the Old Time Days Association was formed a few years back, the Lemonettes were taken under the wing of

OTD BEGINS — The Lemonettes, a group of Lemon Grove businessmen who feel the urge to dress up and go out on the town occasionally, were on hand to signal the beginning of Lemon Grove's annual Old Time Days celebration recently. Jim Dorman, Lemonette at left, directs the procedure while

Bill Rush and Gil Moyers bring the ladder over to put up the OTD Banner. Two non-Lemonettes happened by at the time, but Dorman disavowed that such lovelies could qualify for the group because "They're not beautiful enough". (Vince Broesch photo)

the membership, after many years of association with the Chamber of Commerce.

The Lemonettes, in addition to acting as a good-will ambassador for the town, march in the OTD Parade every year, passing out lemon drops to youngsters along the route.

The "girls" are helped by Mr. Lem N. Grove, Lemon Drip, usually portrayed by Paul Goff, and Lemon Drop, the famed 251-pound ballerina, Dick Fuhr.

The Lemonettes this year will include Al Woods, Red Goff, Bob Mastny, Jim Dorman, Ken Goff, Bill Rush, Gil Moyers, Craig Lake, Don McCray, and others.

The Lemonettes, although just a part-time group, have found the time to participate in the Armed Forces Day Parade and the Lakeside Rodeo Days Parade this year, and plan on several others.

and several movies in the 1940's.

In the 1950's, his television career dawned with the advent of the "I Love Lucy" series, which was the top situation comedy in its days. The show won Emmy Awards in 1952 and 1953.

Anaz is now an actor and independent television producer, as well as a lecturer at San Diego State College, where he has taken the school's public broadcasting station, KPBS-TV 15, under his wing.

At San Diego State, he teaches studio production and acting for television and films.

Byron L. Netzley, who will step down from his position of Superintendent of the Lemon Grove School District, began his career with the local district in 1942, when there was but one school serving the area.

Netzley that year was employed as a supervising principal, with a salary of \$2,200. Since then, everything has grown in the district about ten times.

Carny To Run Through Sunday

The Lemon Grove Chamber of Commerce and the Old Time Days Association this year jointly sponsored the Old Time Days Carnival, which opened Wednesday and will run through Sunday.

The carnival, held for the first time this year, will include booths from several local clubs and civic organizations, who will offer varied carnival concessions.

Others will offer cake and goodies for sale.

Rides at the carnival, which will be in keeping with OTD's Gay 90's theme, will include a Ferris wheel, a tilt-a-whirl, and a large sky-diver ride, as well as many others, according to carnival co-chairman Jim Dorman.

The carnival will be at the northeast corner of Washington st. and Broadway, on the St. John of the Cross Church grounds and will be open every afternoon until about 10 p.m. weekdays and from 11 a.m. to 11 p.m. on the weekend.

MISS LEMON GROVE — Barbara Kotnik, who last month was selected Miss Lemon Grove, will be a feature of the parade. The blue-eyed blonde will ride in the first division.
